## **Information Gap Questioning Cards**

**Directions:** Cut out the cards and distribute one to each student. Model how to use the questions and language stems before assigning partnerships. While in partnerships, have them use this language while looking at their respective Information Gap Card. (Note: this is a separate worksheet.)

Ask and Answer Questions	Ask and Answer Questions		
Questions:	Questions:		
☐ What information do you have on your card?	☐ What information do you have on your card?
