

Is It Alliteration? #2

Alliteration happens when you repeat the beginning consonant sound in a group of closely connected words.

Ex. A bat lives in a blue barn.

Decide if the sentence uses alliteration. Write Y for yes or N for no.

1. A funny ferret is furry. _____
2. Fanny found a fish in the forest. _____
3. Sam likes to eat cake. _____
4. Blue balloons blow away. _____
5. I see a friend. _____
6. Katie flew a big kite in the sky. _____
7. Matt made a muffin out of mud. _____
8. Sam sees a sunny slide. _____

Write some sentences that use alliteration below.

1. _____
2. _____
