

Name: _____

Date: _____

It's Grammar Time: Prepositional Phrases 2

A **prepositional phrase** is a group of words that begins with a preposition.

- They create a more detailed explanation for the reader.
- They tell when and where.

Directions: Complete the sentences below by adding a prepositional phrase that begins with the preposition in parentheses. An example has been done for you.

Example: I played the piano (at) at the recital.

1. We went to the park (with) _____.
2. The plane went up (in) _____.
3. The puppy was found (under) _____.
4. We ran (toward) _____.
5. Please return the library book (to) _____.
6. Noise could be heard (through) _____.
7. Have you ever been (over) _____.
8. During recess, we jump (on) _____.
9. The pencil fell (off) _____.
10. Be careful (around) _____.

Challenge! Create a sentence with a prepositional phrase. Use the preposition **across**.
