

KENKEN

KITE

Multiplication Puzzle 1 (4x4)

It's time to multiply, KenKen style! Look at the blocked off areas below. Inside each one you will find a product you can make using the numbers 1 through 4. Write those numbers in the boxes, but be careful! Each number can only be used once in a row or column.

Easy x

12x	8x		24x
	3x		
		6x	
8x
