HOT AIR BALLOON Multiplication Puzzle 1 (5x5)

Let's practice our multiplication facts! Use the numbers 1, 2, 3, 4, and 5 to fill in the squares. Look in each area to determine what its product should be.

Watch out! You can only use each number once in a row or a column.

Easy ×

12×		40×		5
10×	3			8×
		6×		
8×			45×	
	20×
