Leadership Video

Directions: Create a video with your group that defines leadership and that highlights positive leaders. Before you begin making your video, take some time to answer these reflection questions and do some pre-planning.

1. Write down your definition of leadership.

2. Write the names and contributions of positive leaders in history and/or in your community who you wish to highlight in your video.

3. Write encouraging steps on how people can be leaders in school and in their community.

Name _____

Date _____

4. Write down a positive quote on leadership.

5. Optional: Take notes from an interview with other students, teachers, or an administrator on what it means to be a leader.

CHECKLIST:

- Use a video or movie-making app of your choice.
- Include the definition of leadership.
- Remind viewers of positive leaders in history and/or your community who have made positive change.
- Provide encouragement and steps on how people can be leaders in school and in their community.
- Include at least one positive quote on leadership.
- (Optional) Interview other students, teachers, or administrators and ask them what it means to be a leader.
- Make sure everyone has a role in your group in putting your video together.
