LEARNING CHINESE

NUMBERS 1-10

It's boba (milk tea) time – and everyone is placing their order for tapioca bubbles as equations! Use your knowledge of Chinese numbers 1-10 to calculate the total, writing your answer in Chinese. When you're done, color in the total number of tapioca bubbles!

好喝!

example	六 + 二	五 - 一	四 + 六	八 - 三	三 + 四
八 + 一	九 - 五	二 + 一	十 - 六	一 + 五
