LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 2 is pronounced “èr” and is written as 二. Color in both the Hindu-Arabic numeral and Chinese word for two below. Then follow the prompt in the space below to draw two of another type of fruit!

tip: practice saying the number out loud as you color it in.

TWO
DRAGON
FRUITS

Draw TWO bananas. Then count them in Chinese, using the words below.

yī èr
