LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 8 is pronounced “bā” and is written as 八. Color in both the Hindu-Arabic numeral and Chinese word for eight below. Then follow the prompt in the space below to draw eight of another type of fruit!

tip: practice saying the number out loud as you color it in.

Draw EIGHT blueberries. Then count them in Chinese, using the words below.

yī èr sān sì wǔ liù qī bā
