LEARNING CHINESE NUMBERS 1-10

In Chinese, the number 4 is pronounced “sì” and is written as 四. Color in both the Hindu-Arabic numeral and Chinese word for four below. Then follow the prompt in the space below to draw four of another type of fruit!

tip: practice saying the number out loud as you color it in.

Draw FOUR coconuts. Then count them in Chinese, using the words below.

yī èr sān sì
