No. 14 - "ṣād"

ص

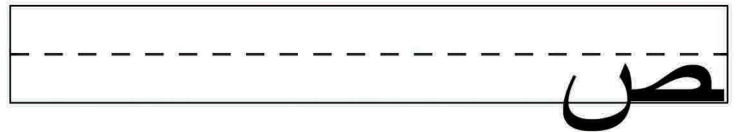

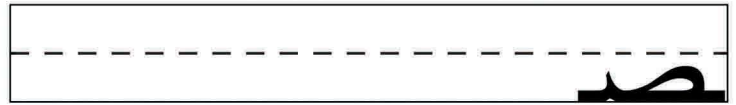

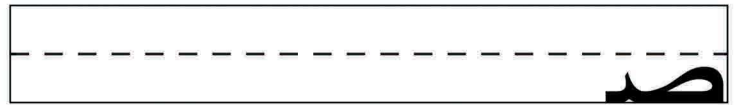

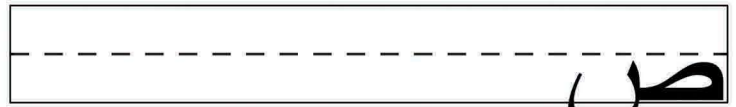

The "S" sound in "ṣād" is like the "S" sound in "sīn," but vowels before and after this letter are spoken in the back of the throat. The English word "Sally" might use a sīn, while the word "Saw" might use a ṣād.

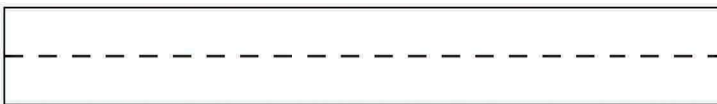

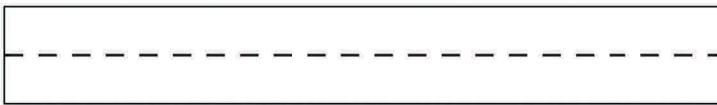

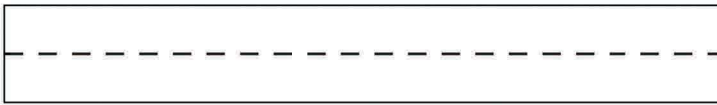

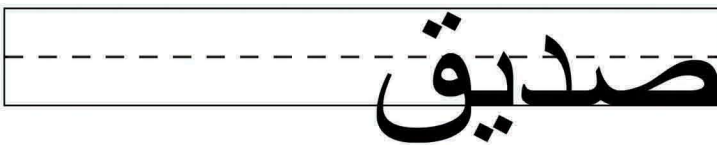

Write each form of the letter eight times using the space below.

falcon  
(saqr/صقر)

Write the Arabic word for friend, "sadiiq," eight times in the space below.

friend  
(sadiiq/صديق)
