Aren't limericks fun and silly? Let's try to find more words that rhyme in two other limericks by Edward Lear.
Follow the instructions below.

**The words at the end of each line all rhyme with at least one other word.
Circle the trio of rhyming words, then underline a pair.**

1. There was a Young Lady whose eyes,
Were unique as to colour and size;
When she opened them wide,
People all turned aside,
And started away in surprise.
2. There was an old man in a tree,
Whose whiskers were lovely to see;
But the birds of the air,
Pluck'd them perfectly bare,
To make themselves nests in that tree.
