## LONG A

Vowels sounds can be short or long. The letter A can make the short a sound like in the word "hat" or the long a sound like in the word "hate". Sometimes you can add an e at the end of a word with a short a sound and it makes a new word with a long a sound.

*Change the words below from words with short a sounds to words with long a sounds by adding an e at the end of the word. Say the words out loud and listen to the difference in vowel sounds.*

Example: hat → hate

1.  cap →
2.  star →
3.  car →
4.  man →
5.  tap →
