

OVER THE ARCTIC

Secret agents have to keep their minds sharp! On the plane, Ian works on some of the puzzles in the back of the in-flight magazines to pass the time.

Solve the magic number puzzle below. Each row, column, and diagonal line must add up to 4.5

0.6	2.7	1.2
2.1	1.5	0.9
1.8	0.3	2.4

ANSWER:
