

# Make Balanced Equations #2

Draw lines to match facts that have the same sum or difference. Then, write the balanced equation you made. The first one has been done for you.

$1 + 4$

$5 - 3$

$2 + 10$

$9 + 7$

$14 - 5$

$6 + 6$

$7 - 2$

$20 - 4$

$13 - 11$

$3 + 6$

$1 + 4 = 7 - 2$
