

CHINA

Fill in the blanks with the correct city provided in the box.

Guangzhou
Taipei
Beijing
Harbin
Nanjing
Shenyang
Shanghai
Tianjin
Hong Kong

Shanghai is the most highly populated city.

Formerly known as Peking, Beijing is the capital of the People's Republic of China.

Known for its skyline and harbor, Hong Kong is located on the south coast.

Tianjin is located in northern China near the Hai River.

Guangzhou, also known as Canton, is located in southern China.

Shenyang, which means "the city to the north of Shen River", is known for being highly industrialized.

Taipei is the largest city in Taiwan.

Historically influenced by Russia, Harbin is located in northern China.

Nanjing was one of the first cities established in China.
