

MEXICO

Fill in the blanks with the correct city provided in the box.

- Mexico City
- Guadalajara
- Cancun
- Puerto Vallarta
- Acapulco
- Mazatlan
- Tijuana

Mexico City was founded by the Aztecs and is the largest city in Mexico.

Guadalajara is known for its culture and the birthplace of Mariachi music.

Cancun was inhabited by Mayans and its name relates to the snake. It is now a popular tourist location.

Because of its favorable climate, Puerto Vallarta is historically known for its agriculture and mining.

Besides being a popular resort and having tropical beaches, Acapulco is a major seaport.

Mazatlan was an important location during the Gold Rush and was influenced by German culture.

Tijuana borders San Diego and is a massive metropolitan area.
