

# Matching Game: Fact or Opinion?

In the boxes below, write down facts and opinions and draw pictures to match each one. Use the examples to guide you.

After you make the cards, cut them out. Then play the matching game with an adult!

## To play the card matching game:

1. Turn all your cards face down so that they form rows.
2. Choose two cards and try to match facts with images of facts and opinions with images of opinions.
3. Remember, one word has to match one picture and vice versa.
4. If you found a match, great! You may choose another card and then find its match. If you did not find your match, it is now your partner's turn to match cards.
