

Medal Tally

Use the chart below to tally the medal counts of ten countries that are participating in the Olympics. When you are done, add together the number of gold, silver, and bronze medals for each country.

Country Name

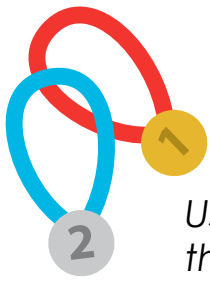

Gold

Silver

Bronze

TOTAL MEDALS

Country Name	Gold	Silver	Bronze	TOTAL MEDALS

Medal Bar Graph

Using the information you tallied before, create a bar graph showing the number of gold medals received by the top five countries.
