# Moody Words

The words authors use set the mood for each scene.

**Draw a line to match the sentence to the appropriate mood, then circle the words that create the mood. The first one is done for you.**

I whistled as I skipped through the pumpkin patch to the party.

scary

I tiptoed through the pumpkin patch so I couldn't be heard.

happy

I walked slowly through the pumpkin patch.

excited

I frowned and I stomped through the pumpkin patch.

sad

I trudged through the pumpkin patch with tears in my eyes.

boring

I raced through the pumpkin patch to be the first person there.

sneaky

I shivered and ran as lightning crashed near the pumpkin patch.
