

Mother's Day PICTURE FRAME

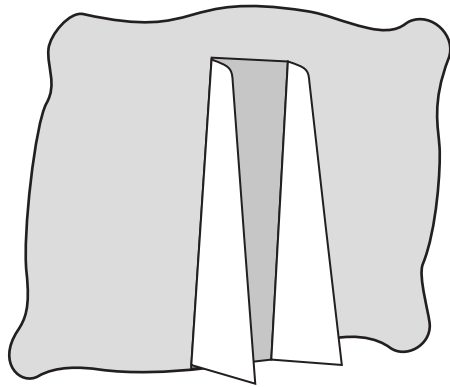

After coloring, ask a grown-up to help cut out and assemble the frame and easel back.

Glue or tape a photo inside the frame.

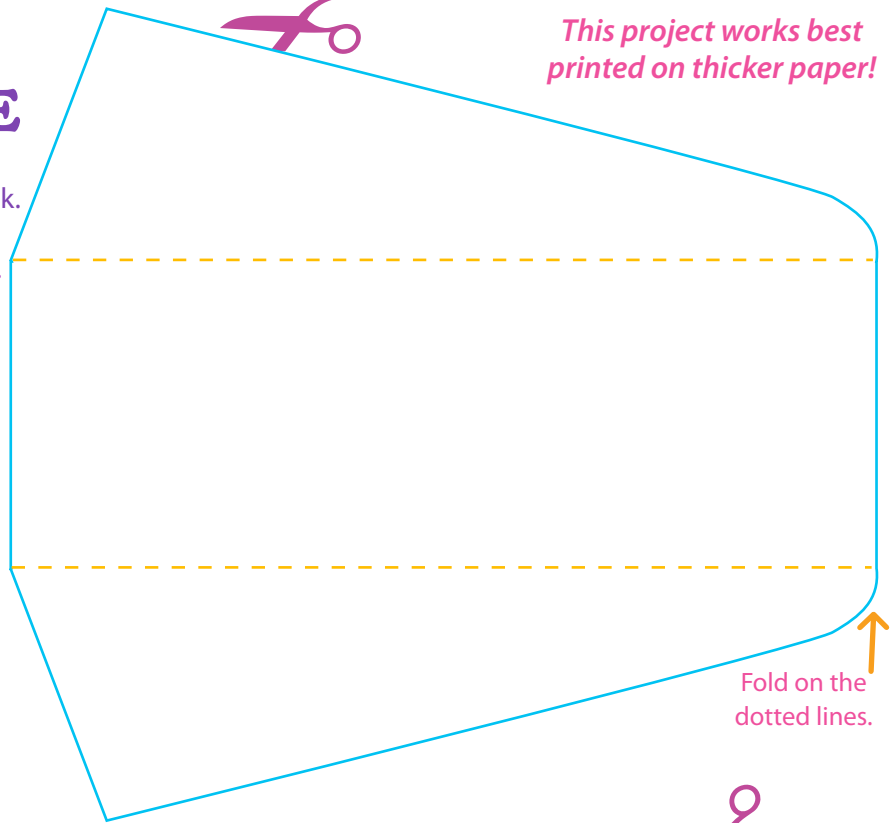

You may need to trim the photo a little to fit.

If you don't have a photo, you can draw a picture inside the frame for your Mom.

Fold and tape the easel back onto the back of the frame as shown below.

This project works best printed on thicker paper!

Fold on the dotted lines.
