

MULTISYLLABIC WORDS WITH R-CONTROLLED VOWELS BOARD GAME

Instructions to complete board game: Fill in the blank squares on your board game by writing one multisyllabic word with an R-controlled vowel per blank square. Once you are done get some dice, game pieces, and a partner to play your game.

Instructions to play your board game: Take turns playing one board game at a time. Roll the dice to see who goes first. The first player rolls the dice and moves his/her game piece forward. If you land on a word, read the word aloud. If you land on instructions, follow the instructions. Take turns. The first player to reach the end wins the game.
