

# Multisyllabic Words with R-Controlled Vowels: Stand Up!

## Teacher Directions:

1. Cut out the multisyllabic words with R-controlled vowels word cards below (there are 32 total).
2. Hand out one card to each student.
3. Ask students to sit in circle.
4. Hold up one of the R-controlled vowel combination signs and have students make the sound of this vowel combination.
5. Have students holding a word card containing this vowel combination stand up. Ask each of the students who stand up to read their word aloud.
6. Collect the cards, mix them up, and repeat.
