My Home: Inside and Outside

Everyone lives in different types of homes.

Draw a picture of what your house looks like from the outside.

My Home: Inside and Outside

Even though some people's houses look the same on the outside, they often look very different on the inside. Draw a picture of what your bedroom or another room in the home looks like. Then, draw a picture of a room in a friend's home. How are they different? How are they the same?
