

My Opinion Counts

How do you really feel about the school subjects below?
Now is your chance to share your opinion with your teacher!

Directions: Fill in the stars to show how you feel about each subject, from worst to best. Coloring in one star means you don't like it much, two stars means you think it's just okay, three stars means you mostly like it, and four stars means you like it very much. Then, write a sentence to explain your opinion.
