

## My Vacation: Part 2

**Directions:** Read Part 2 of "My Vacation" and do the activities on the following worksheets.

I stayed in my room for a little while thinking about what the camping trip would be like. When I smelled pancakes and coffee I knew it was safe to go downstairs. The pancakes were for me—the coffee was for Dad. After eating a delicious breakfast, I quickly showered, brushed my teeth, and combed my hair.

Next, it was time to pack the car. I never knew that packing a car could take so long! I also had no idea why we needed so much stuff just for a weekend away! By the time the car was packed, I wondered if there would be enough room for me. Mom said not to worry, but I was a little uneasy about fitting in the backseat.

By 10:00 it was finally time to leave. Dad checked the car for what seemed like the millionth time to make sure we had everything. I smashed myself in between a cooler and a pile of blankets and buckled my seatbelt. I wasn't very comfortable but I didn't want to say anything. I didn't want Mom to think I was crabby. Then she might know that I didn't sleep much the night before and tell me to take a nap. I didn't want to miss a thing—not even the car ride!
