

New England Colonies

Greetings
from the

NEW ENGLAND COLONIES

The New England Colonies consisted of the present-day states of Maine, Vermont, New Hampshire, Rhode Island, Connecticut and Massachusetts. One of its earliest settlements was Plymouth Colony.

Imagine you have just arrived in the New World from England. Report back to King Charles I. He'll want to know exactly what you've found so far and what supplies you'll need to survive.

*To: King
James I*
