# Number Crunch II

Nicholas wants a pet, but he's not sure what kind to choose. His mom has a few ideas, and she left this number note to help Nicholas decide. Solve the equations, then write the letter that goes with each sum in the spaces below.

C = 50 – 26	G = 48 – 16	D = 15 – 13
F = 29 – 11	A = 23 – 13	G = 9 – 2
T = 14 – 1	N = 32 – 17	R = 17 – 13
H = 31 – 14	O = 12 – 7	W = 40 – 24

A ___ ___ ___ , a ___ ___ ___ ,
24   10   13   2   5   32

or a ___ ___ ___ ___ .
18   4   5   7
