

Name: _____

Date: _____

Skip-Count on Number Lines

1. Skip-count on the number line to solve the equation 4×3 .
What is the product of 4×3 ?

2. Skip-count on the number line to solve the equation 8×3 .
What is the product of 8×3 ?

3. Skip-count on the number line to solve the equation 4×7 .
What is the product of 4×7 ?

4. Skip-count on the number line to solve the equation 5×5 .
What is the product of 5×5 ?

5. Skip-count on the number line to solve the equation 3×9 .
What is the product of 3×9 ?

6. Skip-count on the number line to solve the equation 4×6 .
What is the product of 4×6 ?

7. Skip-count on the number line to solve the equation 2×9 .
What is the product of 2×9 ?
