

Number Order: Before

Name _____ Date _____

225

226

227

228

226 comes before 227.

Circle the number that comes **before**.

1. I am before 377.
What number am I?

376

378

477

2. I am before 899.
What number am I?

909

989

898

3. I am before 171.
What number am I?

170

181

371

4. I am before 234.
What number am I?

254

244

233

5. I am before 506.
What number am I?

606

505

510

6. I am before 615.
What number am I?

675

645

614

7. I am before 982.
What number am I?

999

992

981

8. I am before 803.
What number am I?

813

802

903
