

A **complimentary color pair** is made up of a cool color and the warm color opposite of it on the color wheel.

Blue's partner is **orange**. When used together, the two create a bold and brilliant image.

These owls, **Hoot & Scoot**, are mirror images of each other, creating a **symmetric** or equally balanced picture.

Color **Hoot's** head, body, wings, and tail the different options of **orange** from your crayon box. Color his ears, eyelids, beak, belly, and feet variations of **blue**.

Color **Scoot's** head, body, wings, and tail the different options of **blue** from your crayon box. Color his ears, eyelids, beak, belly, and feet variations of **orange**.

The result is two eye-catching birds!
