

10 Things to Do with a Piece of Paper

★ Origami Cat ★

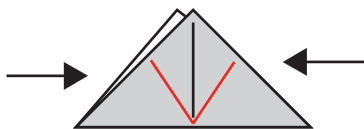

Print out the next page and cut on the dotted lines.
Fold on the solid lines. Follow the instructions below.

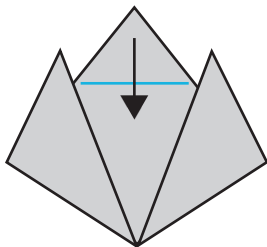

Step 1: Put the gray paper face down. Fold the piece of paper in half from top to bottom. Follow the solid guide lines to make straight folds.

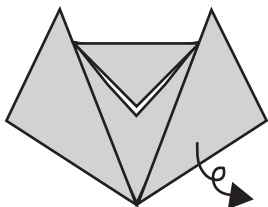

Step 2: Unfold. Fold the piece of paper in half from left to right.

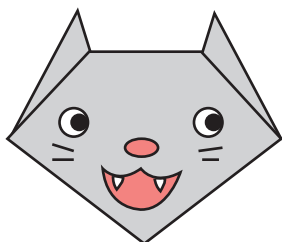

Step 3: Fold in the left and right points on the red solid lines toward the center so they create a "V" shape.

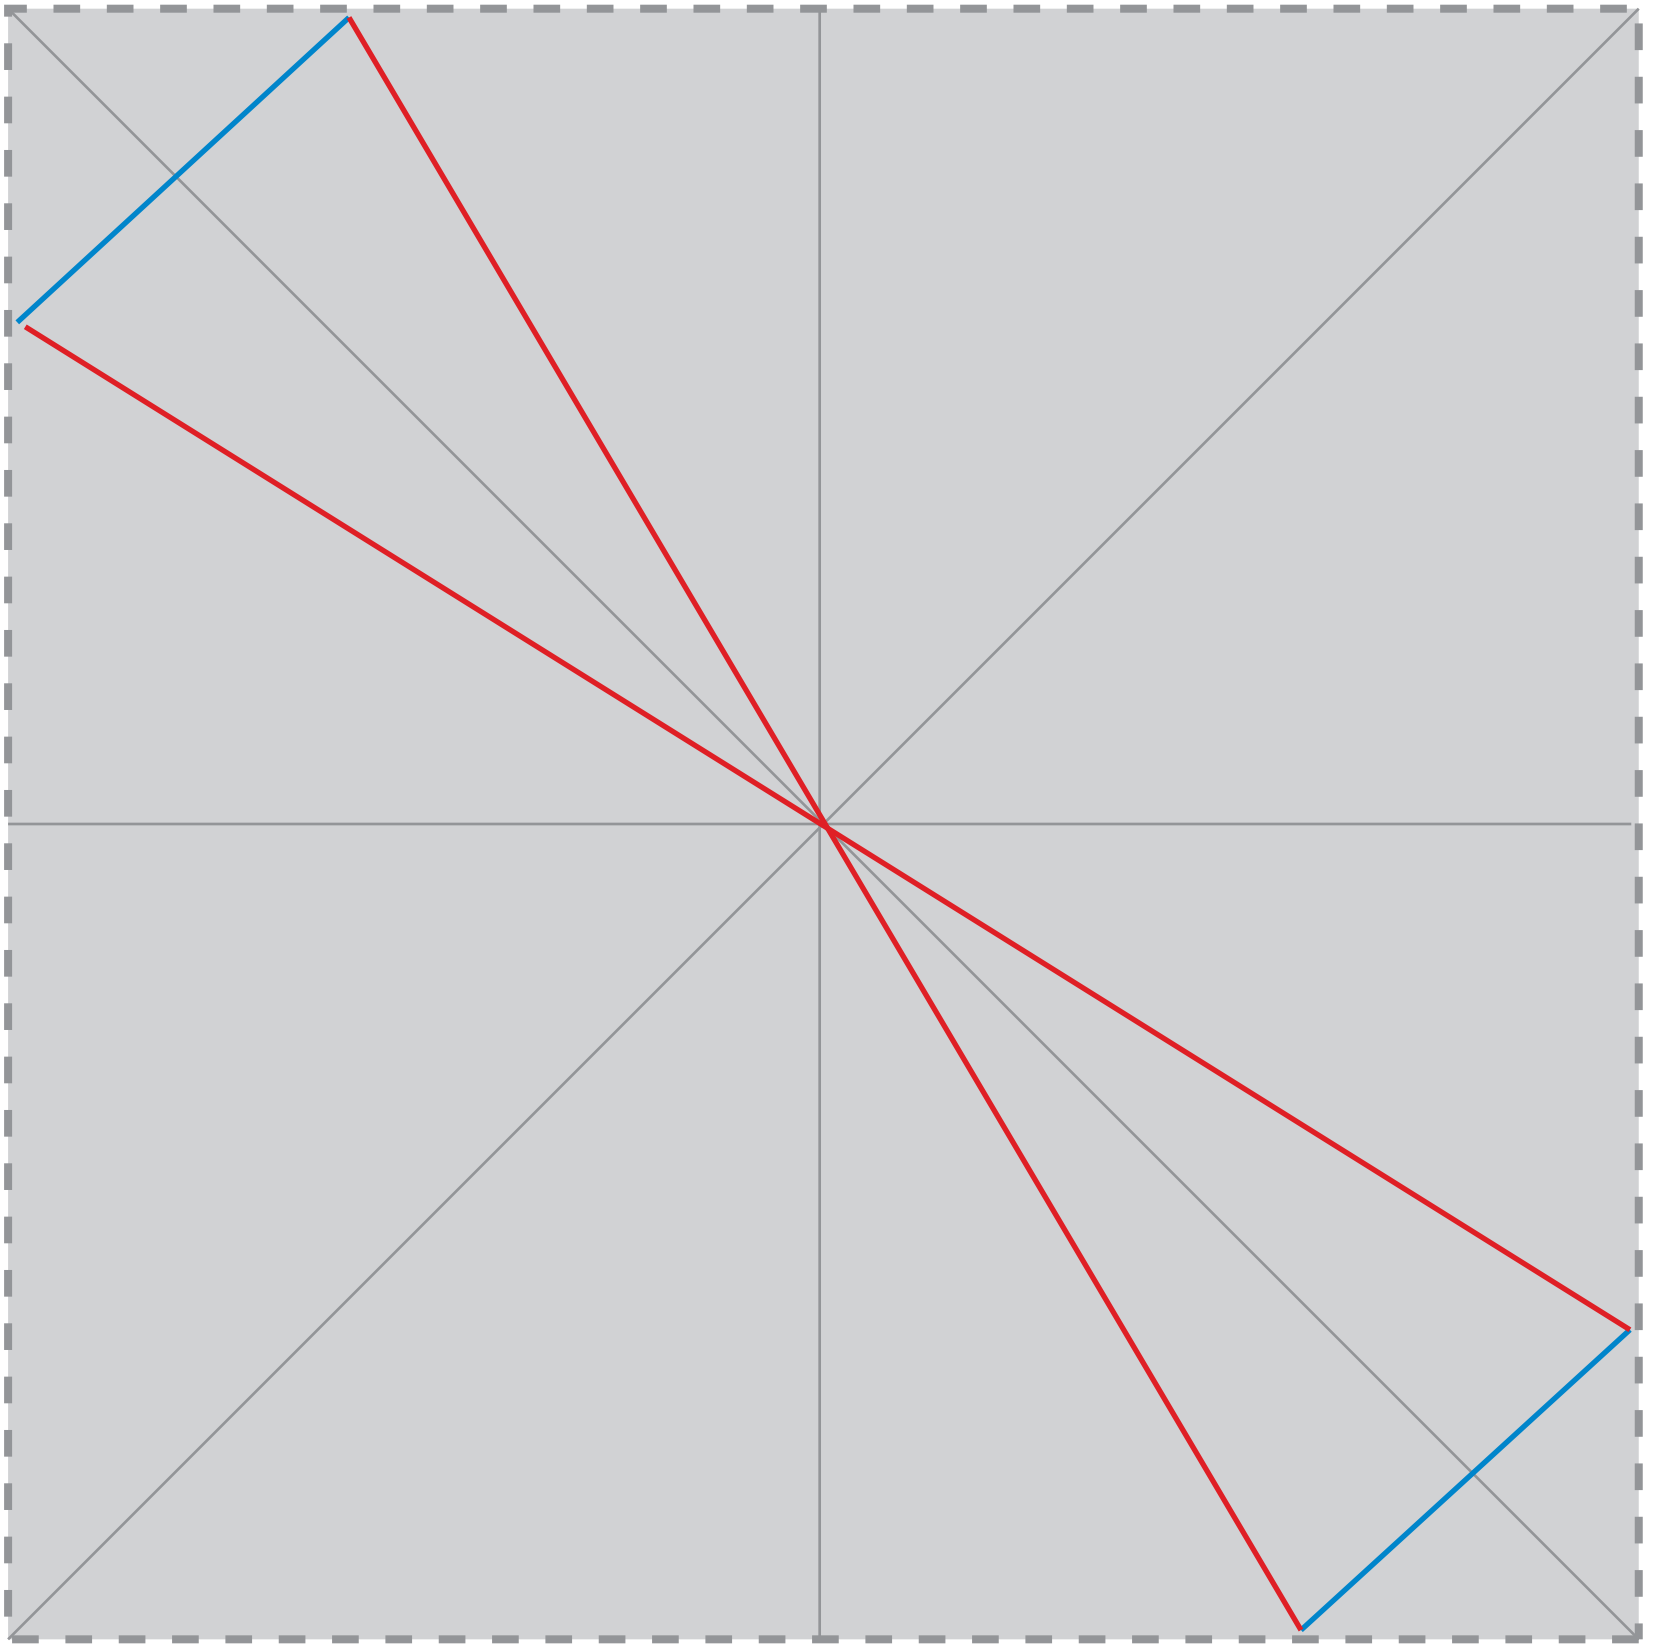

Step 4: Fold the top point on the solid blue line between the left and right folds.

Step 5: Turn over the paper.

Step 6: Draw a fun cat face or cut out and glue the face pieces onto the front. Your new friend is complete. Meow!
