SUMMER

pinwheel!

1. Cut out the square and glue the blank side to colored paper.
2. Cut down the dashed lines.
3. Gather every other corner and gently fold towards the center.
4. Use a pushpin to hold each fold in the center.
5. Keeping all pieces together, push the pin through the eraser on a pencil.
6. Bring it outside to watch it catch the wind!

YOU WILL NEED:

- Scissors
- Glue
- 1 Pushpin
- 1 Pencil with an eraser
