

10 Things to Do with a Piece of Paper

★ Sunburst ★

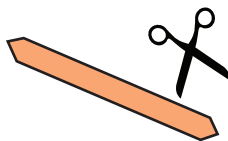

Sunbursts bring in sunshine, even on a cloudy day. Print out the next page and cut on the dotted lines. Follow the instructions below.

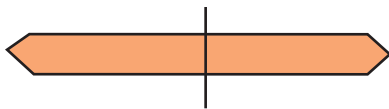

Step 1: Start by cutting out the square piece of paper on the dotted lines.

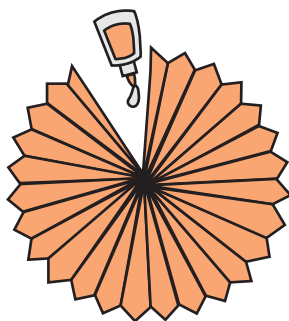

Step 2: Fold the paper accordion style on the solid lines until you reach the end.

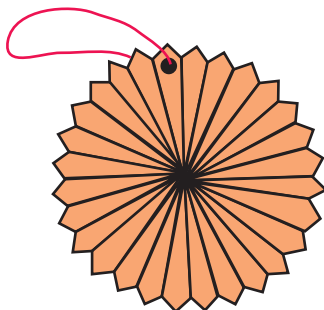

Step 3: Trim the top and bottom edges so they make a point.

Step 4: Fold the bunched paper down the middle.

Step 5: Glue, tape or staple the sides together so the paper is in a circular shape.

Step 6: To hang it up, use a hole punch to make a hole near the top. Hang with string or yarn.
