

# Finding the Problem and Solution with **Question Words**

**Part 1.** Review the question words on the graphic organizer. Read the story. Then, read the story again and underline information about the problem and the solution.

One Friday afternoon, the doorbell rang. Ricky ran to the front door to see if his package arrived. He was so excited, he threw open the door. He didn't even think about his dog, Shadow. Shadow darted out the door. He was down the street in the blink of an eye. Luckily, the mailman noticed the dog as it sprinted past him. The mailman chased after Shadow, grabbed his collar, and walked him back to Ricky. Phew, that was close!
