Move Like a Dinosaur

Buddy, Tiny, Shiny, and Don love to play "Move Like a Dinosaur" where they pretend to be different dinosaurs and other prehistoric creatures. Your child can play this Simon Says-style game, all while learning new vocabulary and fun dinosaur facts.

Have your child(ren) stand at one end of the room. Ask your child to move towards you like a specific dinosaur. Here's a list of movements to get your started.

You and your child can research other dinosaurs and creatures and add to this list.

MOVE like a Brachiosaurus

(a quadrupedal dinosaur that walked on all fours)
