START from HERE

Heads

Tails

1. Two players start with 3 pennies each, and will choose either "heads" or "tails."
2. Place 3 pennies, heads up, on the striped "heads" area. Do the same with the 3 "tails" pennies.
3. Slide, push or flick your pennies across the the board with your fingers.
4. At the end of the round, add up the points. The highest score wins!
