

Watermelon Graphic Organizer

Write a Personal Narrative

Personal narratives are true stories that happened in your life. Think about an event in your life as a watermelon and the details as seeds. Take notes about the beginning, middle, and end of your event. Fill the seeds with little moments that happened during the event. Then, use the space on page 2 to write your personal narrative.

The graphic organizer is shaped like a watermelon slice. The outer rind is green, the inner flesh is light orange, and the seeds are represented by white teardrop shapes with black outlines. Each seed contains a label and three horizontal lines for writing.

- Beginning** (top left seed)
- Event** (top center seed)
- End** (top right seed)
- Detail #1** (middle left seed)
- Detail #2** (bottom center seed)
- Middle** (bottom center-right seed)
- Detail #3** (middle right seed)
