

## Create Your Own Heart Garland

### You Will Need:

Card stock (or any thick paper)  
Scissors  
Hole punch  
Tape or glue  
Photos of people you love  
Thin ribbon or string

### Directions:

Cut out the hearts on the dotted lines.  
Color and decorate the hearts.  
Carefully cut out the large circle dotted line holes.  
Cut your photos to fit the large circle.  
Paste the photos to the back of the hearts.  
Use a hole puncher to punch holes on the Xs.  
Strand the hearts through the small holes.

### ♥ Tip:

Print out more pages to make your garland longer.
