Birthday
# Photo Props!

Color these in and then ask a grown-up to help cut out and assemble them into fun props for your birthday photos!

TO USE:
Hold the birthday wand in one hand and the crown prop near the top of your head. Then smile for the camera!

This project works best printed on thicker paper!

You will need:
Popsicle sticks or straws.
Scissors
Tape

After cutting, turn the crown over and tape your popsicle stick on the back towards one side.
For the wand, tape the stick in the center near the bottom of the circle.
