# Photo Props!

Color these in and then ask a grown-up to help cut out and assemble them into fun photo props for your next family portrait, birthday party, or just for fun!
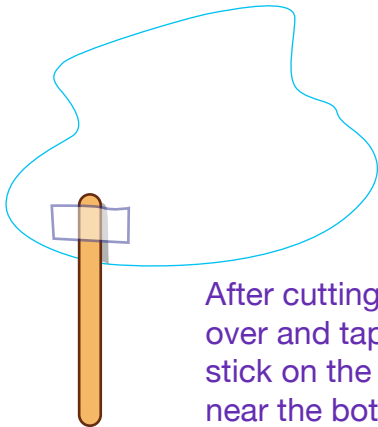

TO USE:
Hold the hat near the top of your head. Then smile for the camera!

This project works best printed on thicker paper!

You will need:
Popsicle sticks or straws.
Scissors and Tape

After cutting, turn the prop over and tape your popsicle stick on the back of the hat near the bottom and towards one side.
