

Photo Props!

Color these in and then ask a grown-up to help cut out and assemble them into fun photo props for your next family portrait, birthday party, or just for fun!

TO USE:

Hold one over your head or in between you and your best friend. Then smile for the camera!

This project works best printed on thicker paper!

You will need:

Popsicle sticks or straws.
Scissors and Tape

After cutting, turn the prop over and tape your popsicle stick near the bottom.
