

ORNAMENT CARDS

Object of the Game : *To collect as many ornaments as possible.*

1. Cut out the ornament cards, game markers and the dice with the help of a parent. Paste the dice together.
Please note: Game pieces work best when printed on thicker paper.
2. Choose your game marker and put it on start.
3. Roll the dice and move the marker according to the number on the dice.
4. Pick up the ornament that matches the space you landed on. You only get ornament cards that have not already been taken.
5. The player with the most number of ornament cards in the end, wins!

Ask a parent to help you
cut and paste this dice together.
