process    attitude    convince    explore    solution    ability

I have the \_\_\_\_\_ to do a lot of different things. I can hike, cook, play sports, and read well. On Saturday, I chose to take a hike. The sun was shining and I had a positive \_\_\_\_\_. I felt really great about the day. I knew the hike would be special. I tried to \_\_\_\_\_ my brother to join me on the hike, but he did not want to. He thought the hike would not be fun.

To prepare for a hike, there is a \_\_\_\_\_ to follow. I put on my hiking clothes. Then, I gathered my gear that would keep me safe. I used a backpack to hold water, bandages, and other supplies. I wanted to \_\_\_\_\_ the mountain and look at the trees and the

birds. I needed to find my hat and my binoculars, but they were lost. My mom helped me find a \_\_\_\_\_ to the problem. I borrowed my dad's hiking gear instead.

### Part 2

**Directions:** Answer the question using the sentence stem.

**How does vocabulary help you as a reader?**

Vocabulary helps me as a reader because \_\_\_\_\_

\_\_\_\_\_.
