## How to Make a Noun Plural

Most singular nouns can be made plural by just adding an **s** to the end. For nouns ending in **x**, **z**, **s**, **sh** and **ch** you can form the plural by adding an es to the end.

**Directions:** Look at the pictures and write each noun in singular and plural form.

| Word Bank | Singular | Plural |
|-----------|----------|--------|
| witch     |          |        |
| ***       |          |        |
| 2.6 2.6   |          |        |
| airplane  |          |        |
| - LX      |          |        |
| box       |          |        |
|           |          |        |
| book      |          |        |
|           |          |        |
| sock      |          |        |
|           |          |        |
| horse     |          |        |
|           |          |        |
| loman     |          |        |
| lemon     |          |        |
|           |          |        |
