Point It Out

Use different techniques to point to each word as an adult reads the sentence to you.

*Point with your finger 

My house is green with a brown roof.

*Point with a pencil 

What is your favorite color to draw with?

*Put a stamp or sticker on each word 

I like to read about animals before I go to bed.

*Put an x over each word with a marker 

I'm learning to read word by word.
