Poster: Fact or Assumption?

Everyone can use a reminder to make sure to check the facts before making assumptions. Design a poster that reminds others not to believe assumptions and to focus on facts.

On your poster, check the boxes below to make sure to include:

❏ A "catchy" poster title

❏ Creativity, images, and colors

❏ The words "assumption" and "fact" and their definitions

❏ An image or words that explain the difference between assuming and stating facts
