

# Predict Your Own Ending!

Name \_\_\_\_\_

Read the story about Jerry and Pip. Then, look for clues that can help you make a prediction. Write a prediction about what Jerry will do next. How will the story end? Explain your thinking.

One Saturday morning Jerry woke up to hear barking. His puppy named Pip was sitting by his bed. "Please let me sleep a little longer," Jerry whined. Instead of sitting quietly by the bed, Pip's barking got louder and louder. Pip ran into the other room, grabbed her leash, and dropped the leash on Jerry's bed. "Oh, all right," Jerry said. "Let me get dressed first." Jerry rolled over and looked at the clock. With a sigh, he put on his clothes and picked up the leash. Pip jumped and twirled with excitement.
