

- Cut along the dashed lines on page 1. DO NOT cut the solid lines.
- Tape or glue page 1 to the front of page 2.

Make homemade ornaments using things you find around the house.

Go outside and make a snowman.
(No snow? Use cotton balls to create a snowman)

Measure your Christmas tree!

Add a candy cane to your hot chocolate to make a minty treat.

Build a gingerbread house!

Many Christmas trees are topped with a star, an angel, or even Santa Claus statue.

This Christmas, donate a present to a child who is in need.

Help your parents wrap presents.

Watch your favorite Christmas movie!

Make a homemade holiday card for your teacher.

Combine oatmeal and glitter to create magic Christmas dust.
Sprinkle it on your lawn to help Santa's reindeer find your house.

Don't forget to send your letter to Santa!

Cut out paper snowflakes and hang them around the house to create a winter wonderland.

Bake your favorite Christmas cookie!

Use construction paper and markers to create your own wrapping paper.

Use a paper plate to create a wreath to hang on your door.

Use cardboard tissue tubes and construction paper to make Santa and an elf.

Name all of Santa's reindeer!

Gum drops and toothpicks are a great way to make a decorative Christmas tree.

Make edible snowmen out of marshmallows and your favorite candy.

Count all the lights on your Christmas tree!

Turn off the TV and read a Christmas story by the fire.

Make your picture frame out of paper and give it to a parent for Christmas.

Make sure you go to bed early tonight!

Merry Christmas! Today is meant to be spent with loved ones! Make sure to thank everyone for your gifts.
