

The New Girl

One day at school Teacher
Jones made an announcement
Today we will have a new
student she said Her name is
Abby I would like you all to
welcome her to Room 20

Abby had straight brown hair
and blue eyes She looked down at
her shoes and didn't smile
I remembered when I was the

new girl and how I felt

Would you like to sit by me
I asked patting my chair Abby
smiled shyly and sat down This is
Elizabeth and Tyler I told her
pointing to the kids at our table

I smiled at her I
knew that very soon
she would no longer
be the new girl
